新实用构式语法

一. 长难句本质与课程简介

长难句表达了两个属性：长和难

各有其原因，一定要分清——认真对待每一次失败

长：语法结构

难：词汇，固定表达

逐个击破，方为上策

题源决定本课内容

本课目标：天下无难句！

That a man visited the school built last year when students taught at home felt good decided where a new one planned where more students could learn would be.

The Four Comprehensives refers to a four-pronged strategy aiming to comprehensively accomplish a moderately prosperous society.

Loudly called for three times by the manager who was in charge of the first floor selling stationery since its establishment, the doctor wearing a pair of glasses given by his beautiful wife who had never been to big cities, like Shanghai, tried to explain to a sales assistant that he was searching for a book which told a story about poor people in Africa who couldn't afford the fee of curing cough in a book store where all the books displayed for over two months were so expensive for poor people before he could realize that he didn't bring his wallet regarded as his most important stuff, causing embarrassment if he couldn't pay for his book he wanted.

二. 基础语法知识（实用构式语法原理）

外国人主排序方式=主谓宾

句子主干部分

主谓宾，主系表

小明的爸爸揍了小明。

小明的爸爸是一个严厉的男人。

Doctors are helping these nurses.

Doctors are kind (men).

修饰成分开始加入

主谓宾的词性要先清楚——名动名

两大基本修饰关系

形容词修饰名词，副词修饰动词

Kind doctors are helping these beautiful nurses.

Kind doctors are helping these beautiful nurses unconditionally.

一个大家都忽视的天大的秘密 修饰主要靠介词

介词的特点：后跟名词或名词性质

你只记得一点——构成修饰：可形可副

The bird on the tree is chirping by itself.

动词被修饰的方面多一些，可以有：地点，时间，方式，伴随，目的（会有 to）等=他们的名字叫状语

Tommy has achieved his goal in college.

I was referring to Laowang at that time.

His father beat the kid with a stick.

John got promoted by working hard.

We will go shopping with our teachers.

The businessman raised the price of this TV to get more profit.

I got up early and went jogging for meeting my girlfriend.

看看这个，你一定懂

The doctor tried to explain to a sales assistant.

介词做形容词，修饰名词，简单一些，放在后面他们叫定语

A prisoner in a jail has no right to call anyone outside the place.

三. 长句生成过程与原理

主谓宾次序不变，但其实各个成分很喜欢变化

先说主语

（1）主语首先会从一个名词转为一个动名词来表达一个动作

Seeing his beautiful girlfriend makes me so angry.

（2）用 to do 的时候表示将来的事情

To work harder will give you a better future.

（3） 同样的，完整的事件也可以作为主语出现

That his kids are not like him makes him so annoyed.

真题实战

Wearing face masks that adequately cover the mouth and nose causes the error rate of some of the most widely used facial recognition algorithms to rise to between 5 percent and 50 percent, a study by the US National Institute of Standards and Technology (NIST) has found. (2020. 阅读 B)

_____

_____

_____

难点：主语当中会有带疑问词的部分，等于“那个”，“咋样”，“啥”，“谁”，看到了要能够反应过来——它是一件事

我给你的那个...

你喜欢的那谁

你咋来的办公室

他们在哪儿吃的晚饭...

他啥时候给你打的电话

让上面这些“那个”，“啥”...做主语试试看

What I gave to you is very important.

Who you like is my girlfriend now.

How you get to the office doesn't matter.

Where they had dinner is a secret.

When he called you is the key point.

实战练习

When we arrive doesn't matter.

How it was done was a mystery.

That we shall be late is certain.

That he should have ignored the working class was natural.

How this happened is not clear to anyone.

What we need is money.

How many people we are to invite is still a question.

Where I spend my summer is no business of yours.

What make the river more beautiful are the flowers on the riverside.

真题实战

What matters is just how something makes us feel-- which is why we need better stories, that, in the words of author Neil Gaiman, "lie in order to tell the truth". (2019. TEXT 3)

真题实战

The space hotel and the other projects businesses might be thought up with would allow people to see what is happening in space with their own eyes. (2019. TEXT 4)

宾语的变化其实和主语一样

分为 doing, to do, 有疑问的和没有疑问的，没有疑问的 that 可以省略

She considers giving him another chance to say SORRY.

I decided to attend an English class.

I want to know how he stole money from you.

He thinks (that) he is the best person to represent us.

实战练习

She said (that) she would come to the meeting.

I promise you (that) I will be there.

I hoped (that) I would succeed.

He thinks (that) they will give him a visa.

看看这个，你一定懂

The doctor tried to explain to a sales assistant that he was searching for a book.

四. 形式主语的形成原理

头太大而身子小的情况。

就是因为“头”太大，所以把“头”放到最后面去。

原来的位置用 it 来代替。

他一个小时吃了个 15 个苹果又吃了 20 个桃子让我吃惊

That he had 15 apples and 20 peaches in an hour surprised me.

It surprised me that he had 15 apples and 20 peaches in an hour.

英语中常用的的“据报道”，“据信”，“必须指出”等就是这样来的。

It has been found that near million kinds of fish exist in the sea.

_____

It is well known that the collapsed house cannot be sold at a high price.

_____

It must be pointed that the officers of government A need the education on the knowledge and the art of the leadership urgently.

_____

It is obvious that the young people these days have forgotten what the war left in China.

_____

It is likely that our company will take back the share of the market just because of the economy crisis this time.

_____

真题实战

It turns out that a space hotel would be much easier to design and build than the International Space Station; early estimates of the cost to build the hotels indicate that they would be less expensive if the orbiting hotels were built to accommodate large numbers of space travelers. (2019. TEXT 4)

五. 状语部分的变化

主语变完了，宾语变完了，该副词，状语了

变个地点，用个 where 就好，表示“在...地方”

He studies in a classroom

He studies where his girlfriend is studying, too.

变个时间，用个 when/after/before 等就好，表示“在...时候”

He studies English at 8 in the morning.

He studies English when his mother is angry.

来个时间加地点

He studies English where it is so quite when he is going to take an English exam.

看看这个，你一定懂

The doctor tried to explain to a sales assistant that he was searching for a book where all the books are so expensive for poor people before he could realize that he didn't bring his wallet.

最常见的状语变成句子还有 if, because (since, as, for 句尾), although，分别表达不同的逻辑含义而已

If you experience that, you will be frightened.

The worker will replace his tools for better ones because he is rich now.

Although he is the best in the class, he keeps studying for hours every day.

练习

He is unhappy though/although he has a lot of money.

They are planting trees where there is plenty of water and sunlight.

He can't deliver his lectures today because he has got a bad cold.

Although/Though it was raining hard, they went on playing football.

They promised to let us have a meeting in their office if we could keep it clean.

真题实战

Senator Kamala Harris was half right when she said we need to address climate change based on "science fact, not science fiction." (2019. TEXT 3)

_____

_____

_____

真题实战

When Harris' statement about climate change went out on social media, a number of people pointed out the truth: Science fiction has been helping us to prepare for a world of potential climate disasters for years. (2019. TEXT 3)

_____

_____

_____

六. 定语从句的形成原理

中文中的一个"的"字，在英文中很有研究的必要

仔细想想"的"的作用：是修饰名词的标志，"的"前为修饰成分，"的"后为名词

如何处理这个"的"，是个大麻烦！

我读不懂的书

Book which I cannot understand

书 的 我读不懂

定语从句如何来的：

找出核心词即被修饰词

将修饰它的句子原样写在词的后面

选用合适的关系代词/副词来连接它们

我喜欢的小狗

伤过我心的朋友

我碰见老师的那条船

理解的时候就反向做回去

The coffee house where he studied books carefully.

The interesting 10 minutes when the tiger and the lion were having a fight.

The moment when his heart was broken with her abuse.

The toy tiger which he hugs is the one that I bought my son last Christmas.

重点：隐形定语从句

名词后面有难以理解的 doing, done 和介词短语

a dog running

a man laughing

The dog leaping on the grass is mine.

I couldn't grab his hair dyed in red.

The money in this drawer belongs to me.

实战练习

That man standing there is my father.

I try to reach that bowl in the cupboard.

Dawson was frustrated because of the dog kicked by Leon.

You cannot stop the water flowing from the mountain.

He doesn't want to agree with that agreement on this press.

Julie should follow the advice about to be published next week.

Linda tends to be a good teacher respected by all students.

On Sundays, I always enjoy the process of making cakes eaten by my kids.

Lily likes to buy clothes given big discounts.

King often scolds the clerks about to leave the company.

It is reported that Hans started to carry all the burden of his family all by himself made his aunt inheriting a fortune from his grandmother reconsider that she would partly give her properties which should have belonged to his father to him.

_____

_____

_____

真题实战

People using the Hyperloop would shoot around in pods, which are each just over six-and-a-half feet across, and the pods would travel through tubes located either above round or under water. (2020. TEXT 1)

_____

_____

_____

真题实战

There are thousands of apps available on our smartphones that can offer first aid advice and allow us to self-diagnose our sickness- -ranging from a simple cold or flu to some exotic disease. (2020. TEXT 2)

真题实战

Authors such as Alexander Rowland have started a conversation about creating a new type of stories called “Hopepunk” that show people reasons to believe we really can do the hard work of fixing our problems. (2019. TEXT 3)

Loudly called for three times by the manager who was in charge of the first floor selling stationery since its establishment, the doctor wearing a pair of glasses given by his beautiful wife who had never been to big cities, like Shanghai, tried to explain to a sales assistant that he was searching for a book which told a story about poor people in Africa who couldn't afford the fee of curing cough in a book store where all the books displayed for over two months were so expensive for poor people before he could realize that he didn't bring his wallet regarded as his most important stuff, causing embarrassment if he couldn't pay for his book he wanted.

the doctor wearing a pair of glasses given by his beautiful wife who had never been to big cities, like Shanghai, tried to explain to a sales assistant that he was searching for a book which told a story about poor people in Africa who couldn't afford the fee of curing cough in a book store where all the books displayed for over two months were so expensive for poor people before he could realize that he didn't bring his wallet regarded as his most important stuff,

小测试

When I thought that I was her only love in her life, that my girlfriend called her ex-boyfriend with other's cell phone behind my back at her friend's birthday party yesterday evening clearly indicated that I could not know who she was missing anytime in my life when she was with me.

This is the meeting room where he was interviewed by his boss for the first time.

The story which was said to be true touched every one of us.

I can still remember the moment when his heart was broken when his wife divorced him.

七. 附加结构与扩展形式

当用逗号和主句隔开的 which(不能用 that)引导从句时，这个 which 不再代表它前面的那个词语，而表示整个句子或前述句子的某个部分。

He is promoted so soon, which makes us surprised.

I know that he is the boss in here, which makes me angry.

She threw the cup away with anger, which I bought for her on her birthday.

攻略：

He is promoted so soon, which makes us surprised.

I know that he is the boss in here, which makes me angry.

She threw the cup away with anger, which I bought for her on her birthday.

I dropped my cup on the floor, making a big sound.

He ran away from his office, making his boss surprised.

They stole diamonds on that night, worth big money.

有的时候带逗号的碎片会给阅读带来麻烦

Seeing her walking away, I couldn't help weeping at that moment.

Stolen from the museum, the treasure will be sold in the illegal market soon.

The dog running on the grass, we all had a very good time at the people's park this afternoon.

Seeing her walking away, I couldn't help weeping at that moment.

Stolen from the museum, the treasure will be sold in the illegal market soon.

The dog running on the grass, we all had a very good time at the people's park this afternoon.

I taking her home, she said she felt tired.

Told to leave the office, I cried out loud.

Ordered by my teacher, I cannot say NO.

Eating lunch with my teacher, I can't yell.

My wife pushed down, I hit the man in the face.

People becoming angry, the manager at the door ran away.

Taking the fish home, the cat running on the roof seems very relaxed.

实战练习

In a website statement, the national development and reform commission said it has held meetings with various ministries and local governments recently to discuss plans to improve the pricing scheme, which include lowering fuel prices, abolishing road maintenance fees and reforming fuel sales tax.

They had no connection with the outside world for more than a thousand years, giving them plenty of time to build more than 1000 huge stone figures, called Moai, for which the island is most famous.

China's Ministry of Industry and Information Technology issued a notice that PCs to be sold as of July 1 must be pre-loaded with the software called "Green Dam-Youth Escort" that cán block out some kinds of websites.

It is clear that a majority of the advisers of the president do not take the problem of global warming seriously which the White House starts to pay attention to

It is obvious that the strength of a country's economy is bound up with the efficiency of the industry and agriculture which rests upon the effort of scientists and technologists of all kinds.

Testifying before the Senate Commerce Committee, Gehman said this part of his inquiry was in its earliest stages, starting just 10 days ago.

Such is the case of the smallpox vaccine, designed to eradicate the smallpox epidemic that nearly wiped out the entire Native American population and killed massive numbers of settlers.

真题实战
