一、IF 引导的虚拟语气

假设类型	if 从句谓语 v.	主句谓语 v.
与现在事实相反	动词用过去式 （be 用 were）	would should + do could might
与过去事实相反	had + done	would should + have done could might
与将来事实相反	were to + do should + do	would should + do could might

e.g. If there were no subjunctive mood, English would be much easier to learn.

If I hadn’t seen a movie last night, I couldn’t have got up late.

If it should/were to rain tomorrow, he wouldn’t go there.

（一） 省略 if 的虚拟倒装

※ had + 主语（not）done

※ should + 主语 + do

※ were +主语+ to do

e.g. Had it not been for the fact that she broke her leg, she might have passed the exam.

Should it rain tomorrow, I wouldn't go to the cinema.

Were there no air, there would be no life around the earth.

（二）含蓄虚拟

without = but for

with

e.g. Without air, man couldn't live.

With his aid, I would have succeeded in it.

But for the flood, the ship should have reached its destination on time.

（三）错综（混合）虚拟

e.g. If I had studied hard earlier, I would be sitting in the comfortable office now.

If I were you, I would have bought that book.

二、 其他形式虚拟

（一）wish / wished
