范文分析-首段

①This simple chart given above shows that obvious increase took place in Chinese traveling abroad from 1999 to 2001. ②In 1999, there were about 7.5 million people who traveled abroad, and the number went up to 10 million in 2000. It was even more in 2001, reaching 12.1 million.

范文分析-中间段

①Many reasons can be cited to explain this trend, but the following ones are the most typical. ② In the first place, economy is the main factor. Due to the increase of the income of ordinary people in China, traveling abroad is no longer a burden which they cannot afford.

③In the second place, in order to attract more Chinese tourists, many countries have carried out a series of beneficial policies. For example, Thailand has attracted more Chinese tourists because of its visa free policy.

③Lastly, communication between China and other countries has become more and more frequent. Chinese people are eager to know how people live under different cultures and customs.

范文分析-末段

As I can see, it is important to further the development of Chinese traveling abroad. It can not only deepen the exchanges of different countries but also expand Chinese culture to the outside world.

If one had self-confidence in daily routines, he or she would obtain tremendous benefits in pursuit of success.

For one thing, self-confidence helps us to find the most positive mind to complete tasks. Those having no self-confidence are likely to hesitate when dealing with difficulties, which may block the way of their success.

For another thing, self-confidence makes us ready when opportunity comes. By building our skills and acquiring knowledge, we can refresh ourselves and grasp the opportunity once it comes. Lastly, confident person can easily attract people and inspire them to achieve their dreams.

（2010 年，2014 年）

2010 年：

For this part, you are allowed 30 minutes to write a composition of no less than 150 words. Your composition should be based on the following two questions after you have read the story given in Chinese.

1. What do you think about the story?

2. What do you learn from it?

英国史学家卡莱尔经过多年的伏案，写成了《法国大革命史》的全部文稿。那时候没有电脑，一切都得用手来完成，而且难得有“备份”。卡莱尔写完后的第一件事，就是将它交给最信任的好友米尔去完善。

然而就在第二天，手稿被米尔家的女佣当做废纸丢进了火炉!而且，更糟糕的是，为了保持书房的整洁，卡莱尔每写完一章，随手把原来的笔记、草稿撕碎。可以想见卡莱尔当时的心情，但他很快就平静下来，反而安慰伤心的米尔：“没关系，就当我作文交给老师批阅，老师说‘这篇不行，重写一次吧，你可以写得更好!’”

卡莱尔再起炉灶，重写这部巨著。如今人们读到的《法国大革命史》，就是他的第二稿。这一稿的质量，无论在文字上还是内涵上，都达到了卡莱尔写作的巅峰。

范文分析-首段

After reading the story presented above, no one can ignore the importance of strong will.

In this story, the famous writing French Revolution History was completed by Claire. When he was faced with the fact that the script was ruined and no copies were retained. Instead of complaining, he soon calmed down and started re-writing the composition with strong will, and eventually finished this masterpiece with higher quality .

范文分析-中间段

Strong will can play a significant role in the process of seeking success.

新东方在线 www.koolearn.com 网络课堂电子教材系列

Firstly, those with strong will are more likely to gain greater achievement in future. Strong will would keep them vigorous when people cope with difficulties, which may enable them to form good habits and to break bad ones.

Secondly, self-confidence may be enhanced by strong will in daily life. We must maintain powerful self-confidence in the face of challenges.

A case in point is famous writer Helen Keller, who was born in blind and deaf. However, throughout all her lifetime, she kept on learning how to read and write until she became a well-known writer. Thus, we cannot ignore the role of strong will in her lifetime.

大学毕业时，小刘决定不找工作，他默默地从事起了网络翻译工作。当时几乎没有人看好他，大家认为，大学刚毕业，最好找一个好单位，学点本领、积累点经验，然后才能有好出路。

5 年时间过去了，虽然我们很多人毕业时都信誓旦旦地说，一旦在单位里学到本领，积累够经验，就出去打拼一番属于自己的事业，但大多数人在单位这个避风港里，已经失去了面对大风浪和新环境的勇气，辞职创业逐渐成了空谈。可小刘已经开了公司，成为了一个成功的企业主。

在一次同学聚会上，小刘说出了他的“秘密”。他说：“成功往往取决于你敢不敢往人少的地方走。这可能会有风险，但因为没人或很少有人走过，留给你的可能是硕果累累。走别人开辟的老路，虽然看起来很安全，但因为走的人太多，财富与资源大多已被人占有。即使幸运地发现了一小部分，也必然会被蜂拥而至的人群争抢与瓜分。”

范文分析-中间段

It is commonly-accepted that right choice means a great deal to everyone. In daily life, we often encounter unexpected difficulties. As long as we can make right choices, persevere and never bow to difficulties, we may make great success. Otherwise, we may lose direction and stray away from the path to success.

By contrast, if we encounter resistance, we must not yield, instead face it bravely. Once we make choice, we should stick to it, and not be easily altered, for if we lose it, we may lose motivations, goals or even sink into the abyss of crime.

范文分析-末段

As I can see, right choice in life is important to everyone. Once lost, we will lose the life goals and become less motivated. Thus ， no matter what we do, it is essential to stick to right choice.

范文分析-首段

Currently, the whole society has been split by the topic whether college students should be allowed to get married before they graduate.

Some students think that it is their freedom to get married as long as they are old enough to begin the marriage life legally. While others may argue that the disadvantages that campus marriage brings outweigh its advantages. As for me, I may side with the latter.

范文分析-中间段

Many reasons can be cited to explain why I hold this idea, but the following ones can not be overlooked. First of all, early marriage will influence their study performance. It is hard for college students to meet the challenges if they are not well-prepared for their future.

Secondly, most college students are hardly independent economically, much of whom still rely on support of their parents. In this case, it seems an impossible task to raise families.

Meanwhile, these students make little mental preparation to assume the responsibility to be husband or wife, sometimes even be parents.

范文分析-末段

In conclusion, it is not suitable for college students to get married during their college education. They should make good use of time to prepare themselves for their future.

Currently, the whole society has been split by the topic of artificial intelligence. There's no denying that artificial intelligence and its related products have benefited people a lot nowadays.

However, some people believe that it could pose a threat to the human being in large part. In my view, we are expected to maintain an objective and positive attitude towards it

范文分析-中间段

There are many advantages on the application of artificial intelligence.

The first one we cannot overlook is medical field. With the help of artificial intelligence technology, many patients can receive complicated surgeries more accurately.

In addition to the health , there is also a huge economic potential behind artificial intelligence. For example, artificial intelligence can be used to improve productivity of certain industries, which may save the labor and reduce the cost.

However, every coin has two sides, even very smart artificial intelligence device must follow instructions from human to achieve a particular goal. So it is unnecessary for us to fear that artificial intelligence will eventually get out of control.

Along with the fierce competition in current society, people in soaring number have to endure different kinds of pressures. These pressures may come from many aspects. Sometimes, people are stressed with the burdens from their work. In life, people must earn money as much as possible to make ends meet.

范文分析-中间段

新东方在线 www.koolearn.com 网络课堂电子教材系列

People are confronted with many stresses, but there are some methods releasing themselves from stress.

First of all, taking regular physical exercises would relax oneself from heavy work pressure. It is beneficial to both one’s body and mind.

Secondly, it is a good way to communicate with friends when people cope with daily stress. As the old saying goes, a friend in need is a friend indeed. The sincerest suggestions normally come from these kinds of friends.

Lastly, developing certain hobbies, such as fishing or traveling can free people from daily pressure. It is agreed that certain hobbies can improve one’s mental state in large part.

In this day and age, people in soaring number come to realize the importance of keeping fit. But information related to this topic has made us puzzled. Because it is hard to figure out which methods are better for us. In my opinion, different people should choose different ways of keeping fit.

范文分析-中间段

There are many ways of keeping fit, I can pick up three as my favorite ones. The most important one is to take regular body exercises. Doing physical exercise usually makes me feel very energetic. Unlike taking medicine or dieting, keeping fit through doing physical exercise has no side effects.

Meanwhile, a balanced diet cannot be ignored. Those who have a good habit in diet have lower healthy risk than those who are addicted to food with high calorie.

In this day and age, people in soaring number come to realize the importance of environmental protection. It is reported by CCTV that air pollution has been considered as one of the most important problems in current society. Over 30% of residents have suffered from haze in winter and spring.

范文分析-中间段

It is sensible of us to improve environmental condition by using new energy and cutting down traditional fuel. For example, when people purchase private cars, those with zero emission should be considered as priority.

Meanwhile, a way of green travel cannot be ignored. For instance, citizens are expected to take more public transport instead of private vehicles, which can reduce gas emission and relieve traffic pressure.

Lastly, it is of great importance to raise awareness of low-carbon lifestyle. For example, turn off the light when the room is bright enough or when we leave the room. Besides, we shouldn't cut down trees without permission. On the contrary, we should plant trees as many as possible.
