新东方在线 www.koolearn.com 网络课堂电子教材系列

【2009-passage1】

原文

The other day my son asked me if he could ride up to his elementary school on his bike and meet his friend. He wanted the both of them to ride back to our house so they could play video games and jump on trampoline (蹦床). I have to admit, part of me wanted to say no. We can go pick him up or his parents can bring him over here, I thought. But my son is eleven years old now. And after all, I do let him ride his bike to school. But I also drive my daughter to school and I can see him on the way, making sure he is getting there safely.

【2009-passage1】

32. What does the author mean when she says "But my son is eleven years old now"?

A. enables more Americans to join the health care system

B. contributes to the passage of health care reform

C. changes how people seek and receive health care

D. increases the burden of the U. S. health care system

【2010-passage4】

原文

Some 23 million additional U.S. residents are expected to become more regular users of the U.S. health care system in the next several years, thanks to the passage of health care reform. Digitizing medical data has been promoted as one way to help the already burdened system manage the surge in patients. But putting people's health information in databases

【2011-passage1】

35. Busing cutbacks may eventually lead to _____ .

A. fiercer competition among bus companies

B. more students taking public transportation

C. an increase in carbon dioxide emissions

D. a decrease in the safety of school buses

【2011-passage1】

原文

There could be downsides, however, to the busing cutbacks. If every formerly bused student begins walking to school, it's an environmental win—but if too many of their parents decide to drive them instead, the overall carbon footprint can grow. Replacing buses with many more parent-driven cars can also increase safety risks: A 2002 report concluded students are 13 times safer on a school bus than in a passenger car, since buses have fewer accidents and withstand them better due to their size. And some students complain about the long morning hikes, particularly when the route contains a really big hill.

【2011-passage1】

35. Busing cutbacks may eventually lead to _____ .

A. fiercer competition among bus companies

（二）长难句

专题一：阅读中长难句产生的原因

专题二：谓语的多样性

专题三：长难句中的特殊句型

专题一：阅读中长难句产生的原因

1. 插入语

（1）插入语可跳原则

要明白插入语的形式。插入语在英文中非常常见，在文章里主要表现为以下两种符号：逗号，破折号。

① 逗号原则：两逗号间的句子可跳过

注：两逗号间的句子不可为从句。

most people, with the exceptions of early intercontinental travellers or others who earned a living from the sea, have little interest in the sea.

= most people, have little interest in the sea.

the biologists have, actually for a long time, been interested in the matter.

= the biologists have been interested in the matter.

② 两破折号中间为插入语，可以跳过

如：

Attention to detail is something everyone can - especially in a tight job market- and should do.

2. 复合从句

（1）如何快速读懂长难句---抓句子主干

①找出句中从句，去除从句.

②找出谓语动词.

③确定句子主干

例：

新东方在线 www.koolearn.com 网络课堂电子教材系列

So although the weather was very changeable, and in some cases caused us serious inconvenience, on the whole our holiday, which we had planned in great detail several months before, turned out to be satisfactory!

Question: this sentence consists of a basic sentence of seven words. Can you point it out?

（2）如何分析长难句

① 拆分—（从关系词拆开）

② 连接—（自问自答）

③ 整合—（言语逻辑整合）

We love Yu who looks so plain.

We love Yu.（老俞是怎么样个人呢？）

Yu looks so plain

我们都喜欢那个长相平凡的老俞。

分析长难句

Much family quarrelling ends when husbands and wives realize what these energy cycles mean, and which cycle each of the family member has.

①拆分：

Much family quarrelling ends

when husbands and wives realize

what these energy cycles mean, and which cycle each of the family member has.

②连接：

很多家庭争吵结束了

—什么时候就结束了？

—当丈夫和妻子认识到

—意识到什么了？

—什么是能量循环的意义

新东方在线 www.koolearn.com 网络课堂电子教材系列

－同时意识到什么了？

－每个成员拥有怎样的能量循环。

③整合：

当丈夫和妻子都意识到能量循环的意义和每个家庭成员拥有怎样的能量循环的时候，很多家庭争吵就结束了。

专题二：谓语的多样性

多样性一：虚拟语气形式的谓语

例 1：He decided to write a novel exploring what would have happened if the girl's father had murdered her attackers. （2002-1-1）

if引导的虚拟条件句

与现在事实相反的虚拟条件句：

1.If＋ 主 ＋did(were)，主+would/should/could/might +动词原形

如果我是你，我会再试一次。

If I were you, I would try it again.

2.If +主 +had done sth+would/should/could/might +动词完成式（have done）

要是当时我和她没结婚的话，那我是很不幸的。

If I hadn’t married her, I would have been unhappy.

与将来事实相反的虚拟条件句(通常有时间状语)：

If＋ 主 ＋did(were to /should do)，主+would/should/could/might +动词原形

如果他明天来的话,我会告诉他这件事.

If he came here tomorrow, I would tell him about it.

新东方在线 www.koolearn.com 网络课堂电子教材系列

wish引导的虚拟句

wish + that { did/were 现在
How I wish { had done 过去
would / might /would do 将来

要是他没有离开这里就好了。（他已离开）

How I wish he had not left.

多样性二：倒装的谓语

例 1： They live and work together in social groups. So do some microorganisms.（2005-2-2）

倒装释义---

谓语动词放在主语之前的这种语法现象称为倒装

倒装的形式---全部倒装和部分倒装

全部倒装是指整个谓语置于主语之前

部分倒装仅是指助动词、情态动词或 be 动词等功能词置于主语之前

全部倒装的经典例句：

There goes the bell.

Here comes the bus.

考点---部分倒装：

1.以否定词(not until, barely, hardly, never , seldom, not)或否定词组（no doubt，no wonder）放句首，句子要倒装.

e.g. No wonder could you buy it in such a low price.

2.以 so 开头表示也是的句子，以 neither/nor 开头表示也不是的句子,要倒装.

新东方在线 www.koolearn.com 网络课堂电子教材系列

3. . So…that 句型中

---So+ adj/adv + 谓语 + 主语

e.g. So tired was I that I couldn't stand up.

4. As 引导的让步状语从句

---Adj + as + 主语 +谓语

e.g. Tired as she was，she still had to stand up.

专题三：长难句中的特殊句型

句型一：比较句型

2007 passage one

Miss World organizers claim that contestants are judged on qualities other than just their physical appearance.

2007 passage two

Friendships among Americans tend to be shorter and less intense than those among people from many other cultures.

2007 passage three

Researchers have noted that the more kids a family has, the lower each child's individual IQ tends to be.

句型二：文化色彩句型

2007 passage one

I came from a small town, and all my friends were green with envy when they found out I'd won.

句型三：非谓语动词句型

2007 passage one

They may be one of Britain's most successful exports and among the world's most popular TV shows, ranking alongside the World Cup Final and the Olympic Games opening ceremony in terms of audience.
