Directions: Write a composition in no less than 150 words on the topic: What makes couples happy? You could write according to the hints given below. Write your composition on the Answer Sheet.

Happy couples know what is essential to maintain a happy relationship. For instance，daily habits are extremely helpful in making their relationship work.

➢第二步：开始构思写作结构，如文章开头写维持夫妻关系的重要性，中间写措施， 结尾写总结性意义。并且，思考并记下可以用到一些闪光的单词、句型。

a．单词

夫妻关系：spousal relationship，new relationship of a couple, marriage bonds.纽带； 联系

维持：maintain，keep，hold，sustain

幸福：happiness, well-being，blessedness.

建议、措施：measure，proposal.

措施的列举：To start/begin with , besides, in addition, what is more.

b． 句型 非谓语(to do 分词 动名词)、从句、强调句、倒装句等。

➢第三步：写作

建议分三段

Currently an increasing number of people are concerned about the bond between husband and wife and the ways to make couples happy. / This has aroused widespread discussion among the general public. / Undoubtedly, the blessedness of couples has far-reaching significance to people's work and living.（现象及影响）

2 历年真题及高分作文

➢第三步：写作

From my perspective, no relationship is free of difficulty or conflict, and ways that make couples happy can be illustrated below. / First and foremost, those happy couples cultivate common interests./ One of the strengths that solid couples have is the trait of sharing hobbies or common interests. This is a good way to keep their love stable. / Besides, they trust and forgive each other. Forgiveness is the great tool of healing and repair. It provides tremendous relief and it prevents relationships from deteriorating. If we add trust to forgiveness, we drive away the anger that may follow from unresolved daily issues.（措施）

2 历年真题及高分作文

➢Based on what has been discussed so far, it is time to raise people's awareness of maintaining good marriage bond. / I firmly believe that it benefits not only the couples themselves, but also the society which will be made more stable and harmonious.（展望、升华）

1.有的人认为机会是极少的，另一些人则认为人人都会有某种机会。

2.你的看法如何？写出你的观点，说明你的理由并适当举例。

3.在你的文章结尾处不要忘记写出你的结论。

- **经典议论文的布局模式一般为：引言—论点—论证—结论。**
- 那么模仿此法，这篇文章划为四个段落:
- 第一段：引言 (只需写出这两种相反的观点)。
- 第二段：提出自己的看法，并稍加说明。
- 第三段：举例论证充分、生动地论证自己的观点。
- 第四段：结论段中，回应主题，总结、呼吁。

2 历年真题及高分作文

As far as I am concerned, I agree with the latter opinion to some extent. / As a western saying goes, "Every dog has its day," which means everybody has opportunities to be successful in his or her life. / In fact, no one can be denied to get access to opportunity. /Those who claim that they have been out of luck, just can't recognize or make good use of opportunities. So, we must try our best to search for and create more opportunities.（提出个人观点。先用谚语说明、再作具体分析。）

In conclusion, I firmly believe that opportunities are abundant in our society and everyone is equal for them. / We can acquire them only if we are well-prepared and qualified. / As a proverb says, “Opportunities are well only for the prepared mind.” （总结、用谚语进行升华）
